Fragment - definition of fragment by The Free Dictionary The fragments accidentally stuck together would, in all probability, be found to fit each other, and would certainly (in any case) be the easiest fragments to reconstruct as a center to start from. Fragments and Run-ons - The Writing Center A sentence fragment is an incomplete sentence. Some fragments are incomplete because they lack either a subject or a verb, or both. The fragments that most students have trouble with, however, are dependent clauses—they have a subject and a verb, so they look like complete sentences, but they don't express a complete thought. Fragments | Android Developers A Fragment represents a behavior or a portion of user interface in an Activity. You can combine multiple fragments in a single activity to build a multi-pane UI and reuse a fragment in multiple activities. You can think of a fragment as a modular section.
